DATED at Vancouver, British Columbia, this 29th day of November, 2016

BY ORDER OF THE BOARD OF DIRECTORS:

Sonny Janda,

Chief Executive Officer

CIRCULAR

The information contained in this Circular, unless otherwise indicated, is as of November 29, 2016.

This Circular is being mailed by the Company to everyone who was a shareholder of record on November 29, 2016, which is the date that has been fixed as the record date to determine the shareholders who are entitled to receive notice of the meeting.

The Company is mailing this Circular in connection with the solicitation of proxies by and on behalf of the Company's management for use at the meeting (the "Meeting") of the shareholders that is to be held on January 5, 2017 at 2:00 PM (Vancouver time) at 8338 120th Street, Surrey, BC.

The solicitation of proxies will be primarily by mail. Certain employees or directors of the Company may also solicit proxies by telephone or in person. The cost of solicitation will be borne by the Company.

Under the Company's Bylaws, a quorum for the transaction of business at any meeting of shareholders is at least two (2) shareholders holding or representing not less than 5% of the shares entitled to vote at the Meeting present in person or by proxy before any action may validly be taken at the Meeting. If such a quorum is not present in person or by proxy, the Meeting will be rescheduled.

PART 1 – VOTING

HOW A VOTE IS PASSED

Voting at the Meeting will be by a show of hands, each shareholder in attendance having one vote, unless a poll is requested or otherwise required, in which case each shareholder is entitled to one vote for each share held. All matters that will come to a vote at the Meeting, as described in the attached Notice of Meeting, are ordinary resolutions and can be passed by a simple majority – that is, if more than half of the votes that are cast are in favor, then the resolution is approved (an "ordinary resolution"). If a motion requires a special resolution, a majority of 66 2/3% of the votes cast will be required (a "special resolution").

WHO CAN VOTE?

If you are a registered shareholder of the Company as at November 29, 2016, you are entitled to notice of and to attend at the Meeting and cast a vote for each share registered in your name on all resolutions put before the Meeting. If the shares are registered in the name of a corporation, a duly authorized officer of the corporation may attend and vote on that corporation's behalf; the authorized officer must bring documentation to the Meeting that sets out this authorization. If you are a registered shareholder but do not wish to, or cannot, attend the Meeting in person, you can appoint someone who will attend the Meeting and act as your proxy holder to vote in accordance with your instructions (see "*Voting By Proxy*" below). If your shares are registered in the name of a "nominee" (usually a bank, trust company, securities dealer or other financial institution) you should refer to the section entitled "*Non-Registered Shareholders*", below.

It is important that your shares be represented at the Meeting regardless of the number of shares you hold. If you will not be attending the Meeting in person, the Company invites you to complete, date, sign, and return your form of proxy as soon as possible so that your shares will be represented.

VOTING BY PROXY

If you do not come to the Meeting, you can still make your votes count by voting over the internet (*see proxy for instructions*) or by appointing someone who will be there to act as your proxy holder. You can either tell that person how you want to vote or you can let him or her decide for you. You can do this by completing a form of proxy.

WHAT IS A PROXY?

A form of proxy is a document that authorizes someone to attend the Meeting and cast your votes for you. A form of

proxy is enclosed with this Circular. You should use it to appoint a proxy holder, although you can also use any other legal form of proxy.

In order to be valid, you must return the completed form of proxy to the Company's transfer agent, Computershare Trust Company of Canada, 3rd Floor, 510 Burrard Street, Vancouver, BC V6C 3B9 (Facsimile: 1-866-249-7775) not later than 48 hours, excluding Saturdays, Sundays and holidays, prior to the time of the Meeting or any adjournment thereof.

APPOINTING A PROXYHOLDER

You can choose any individual to be your proxy holder. It is not necessary for the person whom you choose to be a shareholder. To make such an appointment, simply fill in the person's name in the blank space provided in the enclosed form of proxy. To vote your shares, your proxy holder must attend the Meeting. If you do not fill a name in the blank space in the enclosed form of proxy, the persons named in the form of proxy will be deemed to be appointed to act as your proxy holder. These persons are directors and/or officers of the Company (the "Management Proxy holders").

INSTRUCTING YOUR PROXY

You may indicate on your form of proxy how you wish your proxy holder to vote your shares. To do this, simply mark the appropriate boxes on the form of proxy. If you do this, your proxy holder must vote your shares according to your instructions.

If you do not give any instructions as to how to vote on a particular issue to be decided at the Meeting, your proxy holder can vote your shares as he or she thinks fit.

At the time of printing this Circular, the management of Desert Gold is not aware of any other matter to be presented for action at the Meeting. If, however, other matters do properly come before the Meeting, the persons named on the enclosed form of proxy will vote on them in accordance with their best judgment, in keeping with the discretionary authority conferred on them by the form of proxy with respect to such matters.

If you have appointed the Management Proxy holders as your proxy holder, they will, unless you give other instructions, vote your shares at the Meeting as follows:

- FOR** a majority vote resolution of disinterested shareholders approving a stock option grant in excess of the 2012 fixed option plan;
- FOR** a majority vote of shareholders approving termination of the 2012 fixed option plan and replacing it with a 10% rolling option plan.
- FOR** other business.

REVOKING YOUR PROXY IF YOU CHANGE YOUR MIND

If you want to revoke your proxy after you have delivered it, you can do so at any time before it is used. You may do this by

- (a) attending the Meeting and voting in person;
 - (b) signing a proxy bearing a later date;
 - (c) signing a written statement which indicates, clearly, that you want to revoke your proxy and delivering this signed written statement to the Company at 8338 120th Street, Surrey, BC V3W 3N4;
- or

- (d) any other manner permitted by law.

Your proxy will only be revoked if a revocation is received by 5:00 in the afternoon (Vancouver time) on the last business day before the day of the Meeting, or any adjournment thereof, or delivered to the person presiding at the Meeting before it (or any adjournment) commences. If you revoke your proxy and do not replace it with another that is deposited with us before the deadline, you can still vote your shares but to do so you must attend the Meeting in person.

Only registered shareholders may revoke a proxy. If your shares are not registered in your own name and you wish to change your vote, you must, at least 7 days before the Meeting, arrange for your nominee to revoke your proxy on your behalf (see below under “*Non-Registered Shareholders*”).

REGISTERED SHAREHOLDERS

Registered Shareholders may wish to vote by Proxy whether or not they are able to attend the Meeting in person. Registered Shareholders electing to submit a Proxy may do so by completing, dating and signing the enclosed form of Proxy and returning it to the Company's transfer agent, Computershare Trust Company of Canada by fax at 1-866-249-7775 or by mail to Proxy Department, 3rd Floor, 510 Burrard Street, Vancouver, British Columbia V6C 3B9 not less than 48 hours (excluding Saturdays and holidays) before the time fixed for the Meeting or any adjournment(s) or postponement(s) of the Meeting.

NON-REGISTERED SHAREHOLDERS

Only registered shareholders or duly appointed proxy holders are permitted to vote at the Meeting. Some shareholders of the Company are “non-registered shareholders” because the shares they own are not registered in their names but are instead registered in the name of a “nominee”, usually a brokerage firm, bank, or trust company through which they purchased the shares. Sometimes the shares are held in the name of a clearing agency (such as The Canadian Depository for Securities Limited (“CDS”) of which the nominee is a participant or in the United States, under the name of Cede & Co. as nominee for The Depository Trust Company which acts as depository for many U.S. brokerage firms and custodian banks.

If your shares are not registered in your own name, we will not have a record of your name and, as a result, unless your nominee has appointed you as a proxy holder, we will have no knowledge of your entitlement to vote. If you wish to vote in person at the Meeting, therefore, please insert your own name in the space provided on the form of proxy or voting instruction form that you have received from your nominee. If you do this, you will be instructing your nominee to appoint you as proxy holder. It is not necessary to complete the form in any other respect, since you will be voting at the Meeting in person.

In accordance with the requirements of National Instrument 54-101 of the Canadian Securities Administrators, the Company has distributed copies of these meeting materials including the Notice of Meeting, this Circular and the Proxy to the clearing agencies and nominees for onward distribution to Non-Registered Holders (collectively, the “Meeting Materials”).

Nominees are required to forward the Meeting Materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Very often, Nominees will use service companies to forward the Meeting Materials to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive Meeting Materials will either:

- (a) be given a form of proxy which has already been signed by the Nominee (typically by a facsimile, stamped signature), that shows the number of shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. Because the Nominee has already signed the form of proxy, a Non-Registered Holder who wishes to vote their shares completes the form of proxy and delivers it to Computershare Investor Services as noted above; or

- (b) more typically, the Non-Registered Holder receives a voting instruction form which is not signed by the Nominee, and which, when properly completed and signed by the Non-Registered Holder and returned to the Nominee or its service company, will become the voting instructions (often called a “proxy authorization form” or “voting instruction form”, or “VIF”) that the Nominee must follow. Typically, the proxy authorization form will consist of a one page pre-printed form. Sometimes, instead of the one page pre-printed form, the proxy authorization form will consist of a regular printed proxy form accompanied by a page of instructions, and has a removable label containing a bar code and other information. The Non-Registered Holder must remove the label from the instructions and affix it to the form of proxy to validate the form and must also properly complete and sign the form of proxy and return it to the Nominee or its service company according to the Nominee’s instructions.

In either case, the purpose of this procedure is to permit Non-Registered Holders to direct the voting of the shares which they beneficially own. Should a Non-Registered Holder who receives one of the above forms wish to vote at the meeting in person, the Non-Registered Holder should strike out the names of the Management Proxy holders and insert the Non-Registered Holder’s name in the blank space provided.

In either case, Non-Registered Holders should carefully follow the instructions of their Nominee, including those regarding when and where the proxy or proxy authorization form is to be delivered. These Meeting Materials are being sent to both registered and non-registered owners of the securities of the Company. If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf. Nominees are required to forward the Meeting Materials to beneficial owners unless a beneficial owner has waived the right to receive them. By choosing to send these materials to you directly, the Company (and not the intermediary holding on your behalf) has assumed responsibility for (i) sending these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions form.

PART 2 - VOTING SHARES AND THE PRINCIPAL HOLDERS OF VOTING SHARES

OUTSTANDING DESERT GOLD SHARES

The authorized capital of the Company consists of an unlimited number of common shares and 1,250,000 preferred shares. Each shareholder is entitled to one vote for each common share registered in his or her name at the close of business on November 29, 2016, the date fixed by the Board of Directors as the record date for determining who is entitled to receive notice of and to vote at the Meeting.

PRINCIPAL HOLDERS OF DESERT GOLD SHARES

At the close of business on the record date there were 16,913,898 common shares were outstanding.

To the knowledge of the directors and officers of the Company, no person beneficially owned, directly or indirectly, or exercised control or direction over 10% or more of the common shares on the record date.

PART 3 - THE BUSINESS OF THE MEETING

The Meeting is being convened primarily to validate an option grant in excess of the 2012 fixed option plan of the Company and to terminate the 2012 fixed option plan, replacing it with a 10% rolling option plan.

The Board’s compensation philosophy is aimed at attracting and retaining quality and experienced people which is critical to the success of the Company. An important element of executive and director compensation is that of stock options, which do not require cash disbursement by the Company. The Board of Directors has to consider not only the financial situation of the Company at the time of the determination of executive compensation, but also the estimated financial situation of the Company in the mid- and long-term.

Executive officers of the Company, as well as directors, employees and consultants, are eligible to participate in the Company's stock option plan (the "Stock Option Plan") to receive grants of stock options. The Board as a whole approves individual stock option grants and the size of the option grant is dependent on, among other things, each officer's or director's level of responsibility, authority and importance to the Company.

At the Meeting minority shareholders will be asked to approve an grant of options that were, at the time, in excess of the 2012 option plan. The reasons the Company believes it would be just for the grant to be ratified by shareholders are as follows.

At the time of the stock option grant in question, the Company had a fixed stock option plan which was approved in 2012, with a reserve of 8,136,074. During the year of 2016, after a stock consolidation and the consequent option plan reserve reduction to 813,607, the directors and officers of the Company were granted options that resulted in options being granted in excess of the 813,607 reserve. It is important to note that no excess stock options will be exercised until minority shareholders have approved the excess, by a majority vote of 51%.

The individuals to whom the excess options were granted are qualified and skilled in the business of the Company and they have been working to further the Company's mandate free of charge for over a year. The only benefit derived directly by the directors and officers are stock options, none of which have yet been exercised by any of the directors and officers.

Unless you give other instructions, the persons named in the enclosed form of proxy intend to vote FOR the resolutions set out in Appendix A to this Information Circular.

At the Meeting the shareholders will also be asked to approve a resolution terminating the 2012 Fixed Option Plan and replacing it with a 10% rolling option plan, the substantial terms of which are set out below. The reasoning for this resolution is that as the Company proceeds with its mandate, the officers and directors need to be able to receive stock option grants as incentive, since at this time the Company is not in a financial position to pay its directors and officers. The reserve amount under a rolling 10% option plan will be flexible as the issued and outstanding shares of the Company changes from time to time.

The following are the material terms of the proposed 10% rolling stock option plan.

Number of Shares Reserved. The number of common shares which may be issued pursuant to options granted under the Stock Option Plan (including all options granted by the Company prior to the adoption of the Stock Option Plan) shall equal 10% of the issued and outstanding shares of the Company from time to time at the date of grant.

Maximum Term of Options. The term of any options granted under the Stock Option Plan is fixed by the Board of Directors and may not exceed 10 years from the date of grant. The options are non-assignable and non-transferable.

Exercise Price. The exercise price of options granted under the Stock Option Plan is determined by the Board of Directors, provided that it is not less than the price permitted by policies of the TSX Venture stock exchange.

Vesting. Vesting and other terms and conditions relating to such options shall be determined by the Board of Directors of the Company or any committee to which such authority is delegated by the Board from time to time.

Termination. Any options granted pursuant to the Stock Option Plan will terminate generally within 30 days of the option holder ceasing to be a "qualified person" as that term is defined in stock exchange policy, unless such cessation is on account of death or as a result of "cause". If such cessation is on account of death, the options terminate on the first anniversary of death. If such cessation is on account of cause, or terminated by regulatory sanction or by reason of judicial order, the options terminate immediately.

Options that have been cancelled or that have expired without having been exercised shall continue to be issuable under the Stock Option Plan.

Administration. The Stock Option Plan is administered by the Board of Directors of the Company.

Board Discretion. The Stock Option Plan provides that, generally, the number of shares subject to each option, the exercise price, the expiry time, the extent to which such option is exercisable, including vesting schedules, and other terms and conditions relating to such options shall be determined by the Board of Directors of the Company.

Shareholders (being a simple majority of the votes cast by the shareholders) will be asked to approve the resolution attached hereto as Schedule "B".

The full text of the proposed new stock option plan is available upon request and will be available at the Meeting.

Unless you give other instructions, the persons named in the enclosed form of proxy intend to vote FOR the resolutions set out in Appendix B to this Information Circular.

PART 4 – OTHER INFORMATION

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON AT THE MEETING

No one director or executive officer of the Company at any time since the beginning of the Company's last financial year, no proposed nominee of management of the Company for election as a director of the Company and no associate or affiliate of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership or otherwise, in matters to be acted upon at the Meeting.

OTHER MATTERS

Management of the Company is not aware of any other matters to come before the Meeting other than as set forth in the Notice of Meeting that accompanies this Circular. If any other matter properly comes before the Meeting, it is the intention of the persons named in the enclosed form of proxy to vote the shares represented thereby in accordance with their best judgment on such matter.
