

Surrey, British Columbia, December 13, 2016. Desert Gold Ventures Inc. (“Desert Gold” or “the Company”) (TSX.V: DAU/FF:QXR2/OTC:DAUGF) announces that it has received consent from the exchange to extend closing of its a non-brokered private placement, announced November 22, 2016, to January 25, 2017. The financing consists of up to 4,000,000 units at a price of CAD\$0.25 per unit (the “Unit”) to raise up to an aggregate CAD\$1,000,000 (the “Financing”).

Each Unit will consist of one common share in the equity of the Company and one share purchase warrant (the “Warrant”). Each Warrant shall entitle the holder to purchase one additional common share of the Company at a price of CAD\$0.30 per share for a period of five (5) years from the closing of this Financing. Warrants will be subject to a thirty (30) day acceleration upon announcement by the Company that its shares have traded on a weighted average of \$1.00 per common share, or more, for ten (10) consecutive trading days.

The proceeds of the Financing will be used for development purposes. There may be a finder’s fee payable for the Financing. Securities issued as a result of the Financing will be subject to a statutory hold period. The Financing is subject to the TSXV approval.

ON BEHALF OF THE BOARD

“Jared Scharf”

Jared Scharf Director
(604) 245-6802

This news release contains forward-looking statements respecting the Company’s ability to successfully complete the Offering. These forward-looking statements entail various risks and uncertainties that could cause actual results to differ materially from those reflected in these forward-looking statements. Such statements are based on current expectations, are subject to a number of uncertainties and risks, and actual results may differ materially from those contained in such statements, including the inability of the Company to successfully complete the Offering. These uncertainties and risks include, but are not limited to, the strength of the capital markets, the price of gold; operational, funding, and liquidity risks; the degree to which mineral resource estimates are reflective of actual mineral resources; and the degree to which factors which would make a mineral deposit commercially viable are present; the risks and hazards associated with mining operations. Risks and uncertainties about the Company’s business are more fully discussed in the company’s disclosure materials filed with the securities regulatory authorities in Canada and available at www.sedar.com and readers are urged to read these materials. The Company assumes no obligation to update any forward-looking statement or to update the reasons why actual results could differ from such statements unless required by law.

Neither the TSX Venture Exchange nor its regulation services provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.

This news release does not constitute an offer to sell or a solicitation of an offer to buy the securities described herein in the United States. The securities described herein have not been and will not be registered under the united states securities act of 1933, as amended, and may not be offered or sold in the united states or to the account or benefit of a U.S. person absent an exemption from the registration requirements of such act.
